Dear Susan,

I have prepared a proposed solution that includes the products and services we believe to be best suited to meet your business needs.

Please take a look at the proposal, and let me know if you have any questions or concerns. I'll be contacting you in a few days to see how you would like to proceed from here.

Since we do not inventory products, it normally takes one to two weeks to obtain the products and to prepare them for installation at your location.

If you are comfortable with what I have proposed and are ready to get started, simply fill in the acceptance information on the proposal, or click the "Accept" button on the web page link I e-mailed to you. This will notify me of your acceptance so we can order the products and get this work on our schedule. When we have the products ready to install, our dispatchers will contact you to coordinate the installation schedule.

Have a wonderful day, and thank you for considering CTSI for your technology needs!
