DISCLAIMER

The UNOFFICIAL Daily Record of Early Voting is based on the following:

The number of person who are checked in at the Early Voting Place

The number of persons from whom Early Voting Ballot to be voted by mail is received

NOTE: The numbers of early voters by personal appearance are UNOFFICIAL until all administrative documents collected from each voting center are reviewed and reconciled in accordance with the Texas Election Code (TEC). Similarly, the number of mail voters is also UNOFFICIAL until all voting by mail administrative procedures required by the TEC, from the beginning to the end of an election, have been executed.

In short, the numbers provided on this page are UNOFFICIAL until after the legally mandated post-election-day reconciliation of all voters that cast a ballot by mail, early in person, and/or Election Day is complete. In accordance with the election code, the final results are provided to the governing authority of each political entity that ordered an election for canvassing
